

Switch Kit - Sconces

Optional Accessory

Product No.: SW

Price: \$16.00

DESCRIPTION

Switch Options

Rotary Switch: This switch has a brass turn knob and works great on all wall sconces.

Pull Chain: This switch has a brass ball 2"chain that dangles down and works great on all wall sconces that might be hard to reach.

- Please note that by adding a switch to an exterior light, will instantly convert it to an interior/dry location only.

If, you are interested in adding a switch to something besides a sconce please give us a call at 360-752-1610 or send us an email at sales.dept@avalanche-ranch.com we would be glad to help you with your request.
