DESCRIPTION

The Woodcrest Semi-flush - Elk light is 17 inches in diameter, 10 inches tall and features our exclusive elk images nestled among the hand-painted pine trees around the circumference of a steel band. Behind each cutout is a diffuser panel. For the bottom, there is a choice between frosted glass or mica with a choice of color between Almond or Amber. For an unique addition to your rustic ceiling light, order one of the decorative Bottom Kits: a three-tree, 3D Spruce Cone or a 3D Pine Cone, any which can be ordered in the same or different color as the fixture. This item is ideal for anyone looking for a rustic semi-flush light to add rustic, lodge character to their log home, cabin or northwood lodge-themed room.
