DESCRIPTION

The Rocky Mtn Floor Lamp - Westhill features an 18in. wide by 12in. tall lampshade frame with our exclusive mission-style artwork displayed on all four panels. The lamp is made of heavy gauge steel, and has a diffuser choice between Almond or Amber mica. The light features a simple stand with a square base, four molded vinyl feet on the bottom to protect the floor's surface, and a three-way switch built into the socket. In order to protect the pieces from damage during shipment, minor assembly of the lamp is required; this consists of inserting the pole into the base, and tightening the two bolts. This missionstyled floor lamp will bring warm character to any cottage, craftsman-styled room, or traditional home.
