

Wasatch Mirror Light Series

The Wasatch Mirrors have a choice of 14 different image, including plain, each with a choice of 7 different glass globes. The OW glass is the basis for the measurements shown below, but note the RW and RT globes are several inches taller than the other globes. 26h x 17w mirror glass is included. See next page for Wasatch mirror versions without lamping.

Glass Choices: AS-ET-EW-OW-RT-TT
Lamping: (2) 100W A19 bulb
