DESCRIPTION

The Seneca Large Sconce - Spruce Cone features mica panels on three sides with a very life like 3 dimensional sprucecone image on the front panel. Diffuser material is offered with a choice between Almond or Amber mica. This light will add rustic character to any log home, cabin or northwoods lodge-themed room. The one is not ADA compliant. Formerly known as the Severn Sconce. Interior and damp location only.

Pictured in Finish #27-Rustic Brown with Almond Mica Shade.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
