

Cozy Log Cabin Sconce Wall Light Rustic Style

Product No.: A10724

Price: \$252.00

DESCRIPTION

The Cozy Log Cabin sconce features our trademarked steel pine trees set behind the cabin with the medium-based lamping between them. The trees are hand-painted over rust patina finish. Covering the bulb is a frost clear glass diffuser, which shields the bulb from side viewing. The cabin also has an almond mica diffuser on the bottom, which gives the effect of a warm rustic log home lit from within. Suitable for interior and damp locations only. For an exterior version of this light, see the exterior lights section.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
