

Alaskan Moose Sconce Wall Light Farmhouse Style

Product No.: A10728

Price: \$270.00

DESCRIPTION

The Alaskan Moose sconce features our trademarked steel pine trees set behind the moose with the medium-based lamping between. This sconce is sure to add rustic character, log home lighting and a touch of wildlife to any home. The trees are hand-painted over rust patina finish. Covering the bulb is a frost clear glass diffuser, which shields the bulb from side viewing. Suitable for interior and damp locations only. For an exterior version of this light, see the exterior lights section.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
