

Saltwater Salmon Sconce Wall Light Mountain Cabin Style

Product No.: A12561

Price: \$284.00

DESCRIPTION

The Saltwater Salmon Sconce features our unique seven-step hand-painted finishing process. The painting technique and color adds a lifelike characteristic to the two fish, making the sconce both decorative and rustic. Behind the fish is a frost clear diffuser covering the socket to shield the bulb from side viewing. This sconce is ideal for anyone looking to bring unique rustic lighting to the walls of their log home, cabin or northwood lodge-themed room.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
