### DESCRIPTION

The Bear in the Woods Exterior Sconce features pine trees set behind the image of a bear. It is UL approved for wet locations. This item comes with a frosted glass cylinder which covers the bulb. The light source, which illuminates the bears face creating a more lifelike effect, points downward. This rustic light is ideal for anyone looking to bring a touch of rustic wildlife to the outside lighting of their log home, cabin or northwood lodge-themed room. Mounts to a minimum 5 inch square board. Available only in powder-coated finish options.

Pictured in Finish #74-Forest Green-Rustic Brown Base.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
