DESCRIPTION

The 3 inch diameter cylinders are offered in a choice of color between frost clear and frost tea-stained. This is the Pine Cone version of this light, which features our own handmade steel 3D pine cones with pine needles set on each side of the wavy band. A perfect fit for a log home in our pine needle green needles and rust patina for the rest (#04 finish), or a lake cabin, or how about a home in the city - why not?.
