DESCRIPTION

Our Ridgemont Close-to-Ceiling Large - Mountain Cutout measures 17 inches in diameter and 8 inches high and features our exclusive mountain art cutouts around the circumference of a steel band. Behind each cutout is a diffuser panel. The frosted glass bottom bowl detaches for bulb changing. For an unique addition to your rustic ceiling light, order one of the decorative Bottom Kits: a three-tree, 3D Spruce Cone or a 3D Pine Cone, any which can be ordered in the same or different color as the fixture. This item is ideal for anyone looking for a non-hanging light to add rustic, forest-inspired character to their log home, cabin or northwood lodge-themed room.

Pictured in Finish #02-Rust Patina.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
