## DESCRIPTION

The Rocky Mtn Small Billiard Light - Mtn Horse is a 15in. by 36in. rectangular frame that features our exclusive horse and fence metal artwork on the front panels, and spruce tree artwork on the side panels. With three downlights, this fixture will provide excellent light for a small billiard table, island eating area, or other similar locations. Each downlight has a white, matte glass shade covering the bulb. For the shade material around the outside, choose between Almond or Amber mica. Included is a rectangular ceiling canopy in a matching finish, an extra 10 feet of wire, and 6 feet of chain (for a 3 foot drop). While the fixture is shown at a 26in. height, it can be shortened, or dropped lower if you purchase additional chain. Hardwire is standard. This light will bring rustic lighting to any log home, cabin, or northwood billiard room.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
