### DESCRIPTION

The Rocky Mtn Small Billiard Light - Loon is a 15in. by 36in. rectangular frame that features our exclusive loon and cattail metal artwork on all four panels. With three downlights, this fixture will provide excellent light for a small billiard table, island eating area, or other similar locations. Each downlight has a white, matte glass shade covering the bulb. For the shade material around the outside, choose between Almond or Amber mica. Included is a rectangular ceiling canopy in a matching finish, an extra 10 feet of wire, and 6 feet of chain (for a 3 foot drop). While the fixture is shown at a 26in. height, it can be shortened, or dropped lower if you purchase additional chain. Hardwire is standard. This light will bring rustic lighting to any log home, cabin, or northwood billiard room.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
